**RINGWOOD DEALER IS THE LATEST TO OFFER REINKE IRRIGATION
MECHANIZED PRODUCTS**

DESHLER, Neb. (Jan. 13, 2006) – Reinke[®] Manufacturing, Inc., a leading manufacturer of mechanized irrigation systems, has added Oklahoma-based H&L Irrigation to its growing list of distributors.

H&L Irrigation, based in Ringwood, Okla., is in its first year of business, providing leading irrigation products to producers in its area.

Harold Schmidt, owner, H&L Irrigation, recently attended the new dealer orientation at Reinke headquarters, Deshler, Neb. Schmidt, who has eight years of experience in irrigation maintenance and service, came away pleased with the decision to offer Reinke irrigation systems for his customers.

“I’ve always been impressed with the Reinke’s irrigation systems and have been interested in making them available for our customers,” said Schmidt. “Attending the new dealer orientation further strengthened my opinion of Reinke as a producer of top-of-the-line irrigation systems, as well as a company that is fully dedicated to supporting its dealers in every way possible.”

Reinke, a leader in mechanical irrigation system innovation and technology for more than 51 years, prides itself on offering the comprehensive orientation program to assist dealers in finding the most effective methods to address the needs of their customers.

“It’s our privilege to add H&L Irrigation to the growing list of dealerships that recognize the value of Reinke products,” said Tim Goldhammer, vice president – marketing, Reinke Manufacturing. “We have high expectations for this new dealership and we look forward to working with them for years to come.”
