

REINKE SPONSORS NEBRASKA CATTLEMEN TEAM PENNING SEASON
2007 Season Marks Seventh Straight Year Reinke Has Awarded Prizes to Top Participants

Deshler, Neb. (Sept. 25, 2006) – Reinke[®] Manufacturing, Inc. recently sponsored the Nebraska Cattlemen Team Penning (NCTP) season and awards presentation for the seventh consecutive year. The event is held to recognize the top 10 pro division winners and top five amateur division winners who competed in approximately 15 NCTP team-penning events throughout the season.

Reinke presented baseball caps and jackets reading “Nebraska Cattlemen Team Penning Top 5/Top 10” to all of the top pro and amateur division winners during a ceremony held on Sept. 15th in Thompson Arena at Fonner Park, Grand Island, Neb.

“Reinke’s been a longtime sponsor of the NCTP season and our participants throughout the years certainly have appreciated that,” said Jenny Koziol, NCTP State Coordinator. “The winner jackets are something that NCTP members aspire to as they compete throughout the year.”

The list of this year’s event winners include:

Top 10 Pro Division Winners:

- Kane Brandes – Central City, Neb.
- Tim Christensen – Fullerton, Neb.
- Dusty Dugan – St Paul, Neb.
- Dave Goodman – Malvern, Iowa
- Todd Hofmann – Norfolk, Neb.

“We are always glad to support the Nebraska Cattlemen Association and the team penning season,” said Tim Goldhammer, vice president of marketing, Reinke Manufacturing. “The awards presentation is always a highlight for Reinke as we recognize some of Nebraska’s finest cattlemen and women.”

The Nebraska Cattlemen Association is a grassroots organization whose individual producer members determine issues of importance to the Nebraska Beef Industry. The Nebraska Cattlemen Association was officially formed on August 24, 1988, through the consolidation of the Nebraska Stock Growers Association, the Nebraska Livestock Feeders Association and the Nebraska Feedlot Council.

Founded in 1954, Reinke Manufacturing Company, Inc. is one of the world’s oldest and largest manufacturers of center pivot and lateral move irrigation systems. Reinke is a pioneer in agricultural mechanized irrigation technology, designing the first reversible, electric-gear-driven center pivot system with a bowstring truss.

Headquartered in Deshler, Neb., Reinke’s products are used throughout the United States and Canada, and in more than 60 countries worldwide.
