

**REINKE HONORS STERLING-BASED PLAINS IRRIGATION
SERVICE TECHNICIAN WITH PLUS SERVICE AWARD**

DESHLER, Neb. (Nov. 28, 2007) – Reinke® Manufacturing, Inc., a leading manufacturer of mechanized irrigation systems, is pleased to announce that Robert Crane, Plains Irrigation, Sterling, Colo., has earned the PLUS (Proven Leaders in Unmatched Service) Certified Technician Award.

The prestigious award, which has been received by only a handful of service technicians in the Reinke service network, is one of the most elite designations awarded by Reinke.

“Being recognized as a PLUS Certified Technician is quite a remarkable accomplishment,” said Todd Merryman, service manager, Reinke Manufacturing. “Robert has completed one of the most extensive service trainings available to Reinke dealerships and is to be commended for his hard work and effort.”

Crane qualified for the honor during a recent service training session offered by Reinke Manufacturing. The PLUS Certified Technician Program consists of a series of service-training classes and tests. Crane received the PLUS award by completing all of his classes and receiving very high marks on all testing.

Founded in 1954, Reinke Manufacturing Company, Inc. is one of the world’s oldest and largest manufacturers of center pivot and lateral move irrigation systems. Reinke is a pioneer in agricultural mechanized irrigation technology, designing the first reversible, electric-gear-driven center pivot system with a bowstring truss.

Headquartered in Deshler, Neb., Reinke’s products are used throughout the United States and Canada, and in more than 60 countries worldwide.
