

**REINKE HONORS CHAUNCEY-BASED CHAUNCEY FARM SUPPLY
IRRIGATION TECHNICIANS**

DESHLER, Neb. (April 16, 2008) – Reinke[®] Manufacturing, Inc., a leading manufacturer of mechanized irrigation systems, is pleased to announce that Roger Brown and Harrell Burch of Chauncey Farm Supply, Chauncey, Ga., have earned Platinum PLUS (Proven Leaders in Unmatched Service) and PLUS Certified Technician Awards.

Roger Brown received the prestigious Platinum PLUS Certified Technician Award, which has been received by only a small number of service technicians in the Reinke Service Network. It is the most elite service designation awarded by Reinke. Harrell Burch received the PLUS Certified Technician Award, which is also among the most elite service designations awarded by Reinke.

“Being recognized as a Platinum PLUS and PLUS Certified Technician is quite a remarkable accomplishment,” said Tim Goldhammer, vice president of marketing, Reinke Manufacturing. “Roger and Harrell have completed the most extensive service training available to Reinke dealers and they should be commended for their hard work.”

The service technicians qualified for the honors during a recent Reinke service training session in Nashville, Tenn.

The Platinum PLUS Certified Technician Program consists of a series of six service-training classes and tests. Brown received the Platinum PLUS award by scoring more than 90 percent on all six tests. Burch received the PLUS award by also scoring a high percentage on all six tests.

Founded in 1954, Reinke Manufacturing Company, Inc. is one of the world’s oldest and largest manufacturers of center pivot and lateral move irrigation systems. Reinke is a pioneer in agricultural mechanized irrigation technology, designing the first reversible, electric-gear-driven center pivot system with a bowstring truss.
